OFFICE OF COUNTY JUDGE.
GILMER, UPSHUR COUNTY, TEXAS.

To All Whom this may Concern:

This is to certify, That We, the Commissioners of Upshur County, Texas, contracted with the DIEBOLD SAFE AND LOCK COMPANY, through their agent, W. H. GARRETSON, of Dallas, Texas, to place in our Court House Building, one of their Improved Record Vaults.

The vault was placed in the Court House on the twenty-fourth day of November, A. D. 1888, but had not as yet been received by the Commissioners, but our County and District Clerks took the precaution to place our Records in the vault, and on the night of the twenty-fifth instant, *the Court House was burned to the ground.*

The vault contained all Records of the District and County Courts. The fire around and above the safe was red-hot for fifteen hours; as soon as it was possible the vault was opened, and to the great astonishment of the Commissioners and every-one, our Records and Papers therein were **PERFECTLY SECURE**, not damaged in any respect, shape or form.

Therefore, taking the above facts into consideration, we have this day received the said vault, and paid for same, in consequence of its proven value.

We heartily and cheerfully recommend the same for public or private purposes to anyone and everyone who needs a true and safe guard to papers, records, money or anything else that can be contained therein. It is safe against fire, against water, tornadoes and every other natural casualty, and he who spends his money thereon cannot invest in any work that can equal or excel this modern Fire-proof Vault.

In Testimony Whereof, We officially sign this document, this thirtieth day of November, 1888, and authorize the clerk to place thereon the official seal of the County, in demonstration of our appreciation of the work.

I mailed to you this morning a description of myself, making it in the form as nearly as I could from my old Passports, and signed by Wm. Ives, an old citizen of Buffalo, and inclosed one dollar, hoping that I might receive, by that description, a passport in time to reach the steamer.

By the "General Instructions in regard to Passports," just received, I notice that I am to state whether or not it is ^{my intention} my return and continue to be a citizen. It certainly is my intention to return within six months and remain here in the U. States, as I have ~~been~~ for seventy-two years.

I trust it will not be necessary for me to wait for a "Blank" to be filled out before I receive the desired paper.

Very truly Yours,
